

# NOTES

## Genetic Expertise Workgroup Telemeeting Friday, December 5<sup>th</sup>, 2008 11am CT/12pm ET

---

### Roll Call & Introductions

Attendees: Nancy Mendelsohn, David Stockton, Cathy Wicklund, Suzanne O'Neill, Diana Dummitt, Jodi Griffin, Sarah Wedepohl

- Review of Agenda

---

### Comparison of Genetic Service Locations (Region 4 website and Genetests.org)

See attachment "R4 and Genetests Organized Report"

*Jodi and Sarah presented the above report to the group and explained the difficulties in comparing states since every state reports data differently.*

*Group discussed inconsistencies in reporting.*

---

### Genetic disorders: Which ones to consider in our evaluation?

See attachment "List of Genetic Disorders"

*Group reviewed the list of genetic disorders to include in the evaluation and made suggestions*

---

### Upcoming Genetic Access Survey

*Sarah explained the upcoming genetic access survey which will be conducted in three states (Michigan, Ohio and Illinois). Michigan developed the survey and methodology and MPHI will be supporting the states by conducting the data analysis and gift cards for the raffle.*

---

### Other Announcements:

- Next meeting is February 6<sup>th</sup>
  - No meeting in January
-
