THE MEDICAL HOME GUIDE FOR FAMILIES

- Jodi Griffin from MPHI has been editing the guide and took the group through the guide page by page. The group had some changes that will be made before it is presented to the Advisory Board on February 23rd.
- Thank you to Nancy Deising for writing the powerful and informative introductory letter to the guide.
- For those who did not join us today, please review the Guide and email Jodi jgriffin@mphi.org by Monday, Feb 16th so changes can be made. Now is your chance to have input on the guide before it is finalized!
- If you have not checked/reviewed your state's resources and the national resources please do it as soon as possible and email Jodi with your changes/additions.
- Sarah will be emailing the group the care coordination materials developed by the Care Coordination Workgroup for our workgroup to review. They have asked for any feedback our group has. Please take some time to review them since they will be inserted into the guide.
